*If mandated clients (sent from Probation and Parole, Community Corrections, diversion programs, lawyers) attend a group and need to get a letter of attendance signed, they need to attend **five (5)** SMART Recovery meetings before the letter will be signed. Each Facilitator will be sent a SMART Recovery stamp that can be used to stamp the form after each meeting. This is because participants may attend meetings at various places. After the fifth meeting, the Facilitator will then put their signature to the form. Participants can download a letter of attendance from our website. Facilitators should not write court reports or letters for Lawyers. Contact head office for more information or clarification.*
